

Warm Hearts

Kelowna

## Who We Are

Warm Hearts Kelowna is a pop-up seasonal charity designed to offer less-privileged households extra support around as the year comes to a close. Families will remain anonymized as assistance is pursued throughout the community.

Due to the ongoing COVID-19 pandemic, support will be requested in the form of giftcards or non-perishable food items.

Tentatively, gifts will be hand delivered to the families or operators by Saturday, December 11, 2021.
